## HIDDEN GEMS – SPRINT 3 PLAN FOR SPRINT ENDING: NOVEMBER 23, 2016

The goal of this sprint is to implement all the features in sprint 2 that we haven't fully finished yet and to increase certain user functionalities such as providing directions and distances between the user and the hidden gem location. We would also like to add a rating system for reliability purposes, and to have tool for direct messaging.

### TASKS

- As a driver, I would like written directions on how to arrive at a certain Hidden Gem location.
  - Set up a section for written directions
  - Time estimation: 1-2 hours
- As a driver, I would like to know the distance between my current location and the Hidden Gem.
  - Display the distance between user and location
  - Time estimation: 2 hours
- As a user, I would like to have in my profile a list of the comments, photos, and locations I've posted.
  - Set up page for profiles
  - Time estimation: 1 hour
  - Place all information of user into profile
  - Time estimation: 3-4 hours
- As a user, I would like a rating system for the Hidden Gems.
  - Implement a point system for locations
  - Time estimation: 4-5 hours
- As a user, I would like a rating system to gauge the reliability of users.
  - Create ranking system for reliability of users
  - Time estimation: 4-5 hours
- As a person, I would like direct messaging for meet ups.
  - Set up a messaging app within the website
  - Time estimation: 3-4 hours
  - Allow others to chat with people
